

Certificate of Approval

This is to certify that the Management System of:

Raychem RPG Private Limited

RPG House, 463, Dr. Annie Besant Road, Worli, Mumbai, 400030, India

has been approved by LRQA to the following standards:

ISO/IEC 27001:2013

Approval number(s): ISO/IEC 27001 – 00012288

This certificate is valid only in association with the certificate schedule bearing the same number on which the locations applicable to this approval are listed.

The scope of approval is shown on the next page and bears the same certificate identity number

Luis Cunha

Area Operations Manager - North Asia & SAMEA

Issued by: LRQA Limited

Certificate of Approval

The scope of this approval is applicable to:

Information Security Management System based on Statement of Applicability issue 08 dated Oct'2023 applicable to IT Infrastructure & Application which supports the following activity:
Manufacture and sale of:

- Heat shrinkable, Plastic moulded and extruded products, power & telecommunication cable accessories, covered conductor and Electrical insulating & composite gloves
- Domestic gas meters & Rotary Positive Displacement gas meters; regulators, ball valves and related products
- Food grade Epoxy and polyurethane.
- Electronics and power Electronics products for safety, Protection, control & monitoring, Energy storage, Display, Power distribution & Power supplies.

Design, Manufacture and Sales of:

- Distribution, Power, Special transformers.
- Transformer rectifier units
- Railway overhead equipment's, Modular cantilever system & Auto tensioning device
- Transmission & Distribution products
- Pre-moulded cable accessories

Sale of Raysulate Products for Energy networks

Sales of heat tracing equipment, pipe protection systems, cathodic protection system.

Manufacture and Export of engineering components, assemblies & safety mats.

Technical consultancy services and product installation associated with electrical power network for asset protection, power theft prevention & power loss reduction.

Research & development activities related to materials & processing; electronics & sensors; high voltage engineering and simulation, software and analytics at Raychem Innovation Centre.

Design, manufacturing and sale of Short Neutral Section Assembly (Phase Break) for Railway Overhead Equipment.
